The following report was made by the Grand Jury to the Criminal Court, at its late session, which we publish as a matter of justice to faithful and efficient officers; of justice to faithful and efficient officers:

We, the Grand Jury, would respectfully represent that, through a committee of our body, we have examined the county jail and found it in good condition and well kept. We have visited and examined the county clerks and treasurer's offices and found them in good condition, so far as we are able to judge from an examination such as we were able to give. We would hereby extend our thanks to our efficient prosecuting attorney, Alex. Graves, Eq., for bla efforts to assist us in our labors. All of which is respectfully submitted.
